**Under Sections 11(1), 11(4), 11B and 11D of the Securities and Exchange Board of India Act, 1992 in the matter of unregistered Investment Advisory through websites.**

***In Re: Securities and Exchange Board of India (Investment Advisers) Regulations, 2013***

**In respect of:**

<b>S. No.</b>	<b>Name of the Entity</b>	<b>PAN</b>
1	Mr. Rishabh Jain	AFKPJ6640Q
2	Mr. Ubaidur Rahman	AAZPU0395D
3	Mr. G. Kadar Hussain	AQLPK1093L

1. Securities and Exchange Board of India (“SEBI”) received an email dated December 18, 2015 from National Stock Exchange of India Ltd. (“NSE”) forwarding the details of a website viz. [www.trade4target.com](http://www.trade4target.com) alleging unregistered investment advisory service through the said website in which stock options and commodity tips were provided.
2. On examination of the information presented on the website, it was noted that the said website was claimed to be a website of a company named - “Technospirit Consulting Pvt. Ltd”. However, the Company / LLP Master available on Ministry of Corporate Affairs’ website does not show any company with the said name. Though, a company with a similar looking name i.e. Technospirit Consultancy Private Limited exists but the details thereof do not match the details mentioned on [www.trade4target.com](http://www.trade4target.com). Thus, *prima facie*, the website [www.trade4target.com](http://www.trade4target.com) contained false details. The website also mentioned performance track record and testimonials, possibly with a view to lure investors to pay subscription fee for the advisory/stock tips products offered through the website. The website also contained a link over a SEBI logo with the word ‘*approved*’ below it, which contained the scanned copy of SEBI registration

certificate issued to one Mr. Abhinav Gulecha. When a question was asked from Mr. Abhinav Gulecha in respect of the websites owned by him, Mr. Gulecha vide email dated January 18, 2018 informed that the only website owned and administered by him for investment advisory activities is [www.sohamfp.com](http://www.sohamfp.com). Thus, *prima facie*, the particulars relating to registration with SEBI appearing on [www.trade4target.com](http://www.trade4target.com) were also false.

3. It was also observed that the website ([www.trade4target.com](http://www.trade4target.com)) was using payment gateway offered by PayU Payments Private Ltd (hereinafter referred as 'PayUmoney'), an online payment gateway for receiving subscription fees from clients. In order to identify the true beneficiary of this website, information was sought from PayUmoney vide email dated May 12, 2016. PayUmoney vide email dated August 11, 2016 furnished the KYC documents, transaction details along with the details of the name of the beneficiary i.e. Mr. Rishabh Jain residing at D-5/9, D Block, Model Town III, Delhi – 100009 and having a Bank account - Canara Bank a/c no. 2021214000006.
4. Meanwhile, SEBI received complaints against certain other websites viz. [www.niftysureshot.com](http://www.niftysureshot.com) and [www.optiontips.in](http://www.optiontips.in), which were allegedly offering unregistered investment advisory services. The details of bank a/cs linked to [www.niftysureshot.com](http://www.niftysureshot.com) (i.e. HDFC a/c no. 01232320001233) and [www.optiontips.in](http://www.optiontips.in) (i.e. Axis bank a/c 109010100381215) revealed that the beneficiaries of these websites are Mr. Ubaidur Rahman (PAN: AAZPU0395D) and Mr. Kadar Hussain (PAN: AQLPK1093L), respectively, who are located at Madurai, Tamil Nadu.
5. On examination of bank a/c statements of Mr. Ubaidur Rahman and Mr. Kadar Hussain, it was observed that there were multiple transfers of money to Mr. Rishabh Jain, who was found to be offering unregistered investment advisory through the website [www.trade4target.com](http://www.trade4target.com).
6. Further it was also observed that the websites [www.niftysureshot.com](http://www.niftysureshot.com) and [www.optiontips.in](http://www.optiontips.in) on their respective payment page had a PayUmoney link for making online payments. On enquiry with PayUmoney regarding online payment links available on these websites, PayUmoney vide its email dated February 02, 2017 informed that the beneficiary of these websites is Mr. Rishabh Jain, and furnished copy of the agreement between PayUmoney and Mr. Rishabh Jain. It is noticed from the agreement that Mr. Rishabh Jain (the sole proprietor of 'Cavenue') entered into an agreement with PayUmoney for enabling receipt of online payments through the following websites:
  - (a) [www.trade4target.com](http://www.trade4target.com)
  - (b) [www.niftysureshot.com](http://www.niftysureshot.com)

- (c) [www.mcxbhavishya.com](http://www.mcxbhavishya.com)
- (d) [www.callput.in](http://www.callput.in)
- (e) [www.newsbasedtips.com](http://www.newsbasedtips.com)
- (f) [www.futuresandoption.com](http://www.futuresandoption.com)
- (g) [www.optiontips.in](http://www.optiontips.in)
- (h) [www.commoditytips.in](http://www.commoditytips.in)
- (i) [www.sharetipslive.com](http://www.sharetipslive.com)
- (j) [www.thepremiumstocks.com](http://www.thepremiumstocks.com)

7. SEBI's letters sent to Mr. Rishabh Jain for the purpose of enquiry were returned undelivered with the remark *'there is no such person at this address'*. However, a field visit conducted by SEBI revealed that Mr. Rishabh Jain was actually staying at the address available on the records and was running a pharmaceutical business. The letters sent to Mr. Ubaidur Rahman and Mr. Kadar Hussain on their addresses on record were delivered but no response was received from them.
8. In order to get confirmation about the nature of transactions carried out by / through [www.trade4target.com](http://www.trade4target.com) / [www.niftysureshot.com](http://www.niftysureshot.com), emails were sent to subscribers (clients/investors) whose email IDs were provided by PayUmoney. It was learnt from the replies received that many subscribers had confirmed availing services of [www.trade4target.com](http://www.trade4target.com) / [www.niftysureshot.com](http://www.niftysureshot.com). They further informed that no agreement was signed by them with the websites' owners / officials as they only paid subscription amount through PayUmoney payment gateway to avail services under different packages. It was also informed that results displayed on the websites were found to be contradictory to the market, and many of them did not receive any tips through SMS/email and hence were cheated.

*Change of direct beneficiary of websites in January 2017*

9. It was observed from the transaction details merchant/owner information of abovementioned websites furnished by PayUmoney that the beneficiary of the following websites had been changed from Mr. Rishabh Jain to Mr. Ubaidur Rahman during January 2017:

[www.trade4target.com](http://www.trade4target.com)  
[www.niftysureshot.com](http://www.niftysureshot.com)  
[www.optiontips.in](http://www.optiontips.in)  
[www.callput.in](http://www.callput.in)

10. In addition to the above websites, Mr. Ubaidur Rahman was also found to be the beneficiary of [www.sureoptiontip.in](http://www.sureoptiontip.in) as per the PayUmoney records.
11. It is noted from the reply of Canara bank (while forwarding KYC records of Mr. Rishabh Jain's Canara bank a/c no. 2021214000006 - his beneficiary a/c with PayUmoney) that the said bank account was closed on January 09, 2017 i.e. around the same time as that of change of beneficiary of above mentioned websites from Mr. Rishabh Jain to Mr. Ubaidur Rahman.
12. Further, SEBI is also in receipt of a complaint from Capmetrics Investment Advisers Pvt. Ltd that its SEBI Registration number as an Investment Adviser viz. INA000000672 has been illegally used by the website - [www.tfttips.com](http://www.tfttips.com) and it has lodged a complaint with the Police Cybercrime investigation cell.
13. Upon exploring the website [www.tfttips.com](http://www.tfttips.com), it was observed that it is having similar webpages as [www.trade4target.com](http://www.trade4target.com). Further, on the "contact us" page of [www.tfttips.com](http://www.tfttips.com), it is mentioned that "*tfttips.com is SEBI registered organisation managed by Traders Welfare Association of India*", and SEBI Logo is also being used. Further contact number - 9990601179, which was used by [www.trade4target.com](http://www.trade4target.com), is also reflected in the website of [www.tfttips.com](http://www.tfttips.com).
14. Capmetrics has also informed that the police has found the involvement of two individuals viz. Mr. Kadar Hussain and Mr. Ravisingh Mahipal Chauhan in relation to [www.tfttips.com](http://www.tfttips.com). The website [www.tfttips.com](http://www.tfttips.com) is inactive at present and PAN or beneficiary bank a/c details of Mr. Ravisingh Mahipal Chauhan are not available to gather information against him. However, the other person i.e. Mr. Kadar Hussain, was found to be the beneficiary of one of the abovementioned unregistered investment advisory website viz. [www.optiontips.in](http://www.optiontips.in) as has already been noted earlier.
15. SEBI is also in receipt of a complaint from an investor against [www.callputoption.in](http://www.callputoption.in) alleging that it claimed to be a SEBI registered advisory firm, and he was offered portfolio management services for a fee of Rs. 25, 000/-. However, it is alleged that no service was provided after making the payment of Rs. 25,000/- into the SBI a/c no. 37246295241. It was seen that the said SBI Bank a/c no. 37246295241 was held in the name 'Call Put Options' and belonged to Mr. Ubaidur Rahman. The PayUmoney link found on the website [www.callputoption.in](http://www.callputoption.in) was also linked to above mentioned SBI a/c. Based on the transaction details furnished by PayUmoney, [www.callput.in/](http://www.callput.in/) [www.callputoption.in](http://www.callputoption.in) are found to be the active websites run by Mr. Rishabh Jain, Mr. Ubaidur Rahman and Mr. Kadar Hussain (hereinafter collectively referred as "Noticees"). While checking the web presence of the Noticees, it was

found from a complaint against [www.optiontradingtips.com](http://www.optiontradingtips.com) on the online complaint portal [www.grahaksuraksha.com/](http://www.grahaksuraksha.com/) that the aforementioned same SBI a/c was used to receive subscriptions for the advisory packages offered through the site.

Modus operandi of the Noticees

16. Based on the information available on the unregistered investment advisory websites and complaints received by SEBI against such websites, it is *prima facie* observed that the *Noticees* create unregistered investment advisory websites periodically and lure investors by promising assured monthly income with unbelievable returns of 300-800% on buying and selling of securities based on the tips provided by them. Once the subscription is received, the *Noticees* either give stock tips for few days to the subscribers and then stop entertaining their calls, or avoid the calls of the subscribers entirely without giving any stock tips.
17. The *Noticees* claim in their websites that they are SEBI registered Advisory firm without obtaining the SEBI registration as an Investment Adviser under SEBI (Investment Advisers) Regulations 2013. For instance, the 'About us' page on the active website ([www.callputoption.in](http://www.callputoption.in)) is reproduced below:

*"About Us*

20. To support their claim of assured returns, the performance page of the websites are updated with fictitious stock tips showing unreasonable profits. For instance the tip dated 02/07/2018 – “BUY INFY 1340CE @ 36” has been mentioned without any expiry date, and thus appears to be *prima facie* fictitious. The performance on one of the packages offered in [www.callputoption.in](http://www.callputoption.in) for the month of July 2018 is given below:

**Active websites as on date:**

22. While surfing the web for checking the current presence of unregistered investment advisory websites, it is found that www.callputoption.in and www.callput.in are active. The updations to www.niftysureshot.com have stopped from December 2017 and all other websites mentioned in previous paragraphs are found to be inactive.

**Fake complaint portal run by the Noticees:**

23. It was also *prima facie* observed that the Noticees are running a website in the name www.tradingtipscomplaints.com, which is portrayed as the portal to get the refund of capital lost on trading tips and subscription money paid to trading tips providers.

24. However, on perusal of the entries on www.tradingtipscomplaints.com, it is *prima facie* found that the website is managed for the purpose of promoting websites owned by the Noticees. It is understood that the Noticees themselves post positive reviews and testimonials of getting unbelievable returns from the unregistered investment advisory websites on www.tradingtipscomplaints.com to promote subscriptions. The website presently being promoted on www.tradingtipscomplaints.com is www.callputoption.in and the complaint received against www.callputoption.in has revealed the SBI bank a/c no. 37246295241 which is linked to the website held in the name 'Call Put Options' and belongs to Mr. Ubaidur Rahman. Further, the address of the owner viz. B-

10 Varapradha, Andalpuram, Madurai – 625003 ascertained from the website hosting information matches with the address of Mr. Ubaidur Rahman.

**Summary of subscriptions received by the Noticees based on the information available:**

25. The summary of subscriptions received by Mr. Rishabh Jain and Mr. Ubaidur Rahman observed from PayUmoney records are given below:

26. It is seen from the bank a/c statements of Mr. Ubaidur Rahman held in the name of Nifty Sureshot Service and Call put Options with HDFC bank and SBI, respectively that the *Noticees* also receive subscriptions directly into their bank a/cs apart from the payment gateway provided on the websites. Therefore, total money collected in the pretext of providing investment advisory could be much higher than the amount mentioned in the table above.

27. Though the beneficiary of the websites through PayUmoney has changed over time from Mr. Rishabh Jain to Mr. Ubaidur Rahman, the nexus between the entities was established from several transactions of transfer of money to Mr. Rishabh Jain's HDFC bank a/c no. 50100119594188 from Mr. Ubaidur Rahman, HDFC a/c no. 01232320001233 (held in the name of Niftysureshot service, the bank a/c designated with PayUmoney for receiving payments from the websites). Further, the bank details mentioned www.trade4target.com accessed through www.archive.org (an online repository of websites and files) contains the following bank a/c details of both Mr. Rishabh Jain and Mr. Ubaidur Rahman suggesting that they are the beneficiaries of the said website:

A/c name: G. Ubaidur Rahman A/c no. 601301153247 Bank name: ICICI Bank	Account Name: Mr. Rishabh Jain A/c no. 04571000030350 Bank Name: HDFC Bank
--	--

28. Thus, it is observed that Mr. Rishabh Jain continued to benefit from the subscriptions received through the above mentioned unregistered investment advisory websites.

29. Although the name of Mr. Kadar Hussain does not appear in the records of PayUmoney for association with any of the unregistered investment advisory websites, the details of his Axis bank a/c 109010100381215, HDFC Bank a/c no. 24091930000923 and ICICI Bank a/c no. 601701016415 were mentioned on the payment page of one of the websites viz. www.optiontips. The linked bank a/c statements had transactions indicating receipt of subscription for investment advisory as seen from the remarks viz. optiontips, stock option etc. and few fund transfers were also seen between him and Mr. Ubaidur Rahman/Mr. Rishabh Jain. The above mentioned three bank accounts of Mr. Kadar Hussain was displayed on the website www.optiontips.inwww.optiontips till August 2016. The

detail of credits into the three bank a/cs mentioned on the website during April 2013 (i.e. when the IA Regulations came into effect) to August 2016 is as under:

S. No.	Account held with	Amount Credited (In Rs. )
1	Axis Bank	98,14,404
2	HDFC Bank	30,09,244
3	ICICI Bank	3,79,18,525
	<b>Total</b>	<b>5,07,42,173</b>

30. Further, as per the KYC records obtained from Axis bank a/c no. 109010100381215 of Mr. Kadar Hussain, it was found that Mr. Kadar Hussain is the brother of Mr. Ubaidur Rahman, one of the *Noticees*. Additionally, as per the information received from M/s Capmetrics Investment Advisers Pvt. Ltd (CIAPL), a SEBI registered Investment Adviser, the name of Mr. Kadar Hussain appeared in the police investigation into their complaint against www.tfftips.com which offered investment advisory services using the SEBI registration no. of CIAPL.

31. To summarize, from the agreements between the *Noticees* and PayUmoney, details of transactions processed through PayUmoney, account statements of the relevant bank accounts, KYC records of bank accounts, material available on the unregistered investment advisory websites and the material submitted by complainants along with their complaints, the following was *prima facie* observed:

- i. Several websites were floated by the *Noticees* i.e. Mr. Rishabh Jain, Mr. Ubaidur Rahman and Mr. Kadar Hussain at different points of time since the year 2015.
- ii. Mr. Rishabh Jain, Mr. Ubaidur Rahman and Mr. G. Kadar Hussain are offering / pretending to offer stock recommendations to investors as seen from the unregistered investment advisory websites and have *prima facie* mobilized money from public fraudulently.
- iii. On the websites, there were claims of being SEBI registered investment advisers and SEBI's logo was also used on certain websites with the caption "*approved*". However, none of the websites or the *Noticees* were registered as Investment Advisers with SEBI.
- iv. Registration certificates of certain other investment advisers were displayed on the websites.
- v. Payment gateway of PayUmoney and direct transfers to bank accounts were used for receiving payments towards subscription fee from investors.

- vi. Fictitious Company's names, incorrect performance track records and testimonials were projected on the websites to lure gullible investors.
- vii. The investors are lured by promising assured monthly income with unbelievable returns of 300-800% on buying and selling of securities based on the tips provided through the websites. The *Notices* use terms such as 'zero loss', 'jackpot', 'rumour based', 'sure shot', etc. in the names of the packages offered in their websites and promise accuracy between 90% to 99%.
- viii. Various subscribers have confirmed availing services of websites such as [www.trade4target.com](http://www.trade4target.com) / [www.niftysureshot.com](http://www.niftysureshot.com). No agreement was signed by the subscribers with the websites' owners / officials as they only paid subscription amount through PayUmoney payment gateway to avail services under different packages. The *Notices* also received subscriptions directly into their bank a/c's apart from the payment gateway provided on the unregistered investment advisory websites. The tips promised under the various packages were either not provided at all or were provided for a very short time.
- ix. Mr. Rishabh Jain was found to be the beneficiary of several websites viz. [www.trade4target.com](http://www.trade4target.com), [www.niftysureshot.com](http://www.niftysureshot.com), [www.optiontips.in](http://www.optiontips.in), [www.callput.in](http://www.callput.in), etc. during the period August 14, 2015 to April 25, 2017 and collected subscriptions exceeding Rs. 1.5 Crores through 1343 subscriptions made through PayUmoney by acting as / holding out as an investment adviser offering stock recommendations.
- x. Likewise, Mr. Ubaidur Rahman was found to be the beneficiary of several websites viz. [www.trade4target.com](http://www.trade4target.com), [www.niftysureshot.com](http://www.niftysureshot.com), [www.optiontips.in](http://www.optiontips.in), [www.callput.in](http://www.callput.in), [www.callputoption.in](http://www.callputoption.in) etc. during the period January 2017 till date and collected subscriptions exceeding Rs. 3.5 Crores through 3816 subscriptions made through PayUmoney by acting as / holding out as an investment adviser offering stock recommendations.
- xi. Mr. Kadar Hussain was found to be the beneficiary of the websites viz. [www.optiontips.in](http://www.optiontips.in) and [www.tfftips.com](http://www.tfftips.com) and collected subscriptions by holding himself to be an investment adviser offering stock recommendations. In his three bank accounts appearing on the said websites, there were credits in excess of Rs. 5 crore.
- xii. None of the *Notices* nor any person associated with the websites was registered with SEBI as an investment adviser.
- xiii. The letters sent by SEBI to the *Notices* seeking information in relation to the websites were either not accepted deliberately or were not responded to.
- xiv. The *Notices* are also running a website with the name [www.tradingtipscomplaints.com](http://www.tradingtipscomplaints.com), which is portrayed as the portal to get the refund of capital lost on trading tips and subscription money paid to trading

tips providers. It is however noted that the website is managed for the purpose of promoting websites owned by the *Noticees*. The *Noticees* themselves post positive reviews and testimonials of getting unbelievable returns from the unregistered investment advisory websites on [www.tradingtipscomplaints.com](http://www.tradingtipscomplaints.com) to promote subscriptions.

32. It is noted that as per regulation 2(m) of the IA Regulations “investment adviser” means any person, who for consideration, is engaged in the business of providing investment advice to clients or other persons or group of persons and includes any person who holds out himself as an investment adviser, by whatever name called. The term “investment advice” has been defined under regulation 2(l) as *advice relating to investing in, purchasing, selling or otherwise dealing in securities or investment products, and advice on investment portfolio containing securities or investment products, whether written, oral or through any other means of communication for the benefit of the client and shall include financial planning*. In light of the above analysis and examination, it is, *prima facie*, evident that the *Noticees* are engaged in providing “investment advisory services” to investors on payment of fees as discussed in the preceding paragraphs, which *prima facie* falls under the definition of “investment adviser” as defined by Regulation 2(m) of the IA Regulations.

33. In order to ensure that no investor is defrauded, it is imperative that any person carrying out investment advisory activities has to necessarily obtain registration from SEBI and conduct his/her/its activities in accordance with the provisions of SEBI Regulations. Section 12(1) of the Securities and Exchange Board of India Act, 1992 (“SEBI Act”) reads as under:

*“No stock broker, sub-broker, share transfer agent, banker to an issue, trustee of trust deed, registrar to an issue, merchant banker, underwriter, portfolio manager, investment adviser and such other intermediary who may be associated with securities market shall buy, sell or deal in securities except under, and in accordance with, the conditions of a certificate of registration obtained from the Board in accordance with the regulations made under this Act.”*

34. Further, as per Regulation 3(1) of the IA Regulations, the registration for investment advisers is mandatory. It provides that, “*On and from the commencement of these regulations, no person shall act as an investment adviser or hold itself out as an investment adviser unless he has obtained a certificate of registration from the Board under these regulations*”.

35. In this context, it is noted that none of the *Noticees* is registered with SEBI in the capacity as an investment advisor and the characteristics and features of the business activity carried out by them as discussed in the preceding paragraphs, *prima facie*, leads to the conclusion that they are providing services of an investment adviser as defined under Regulation 2(m) of the IA Regulations. Thus, the activities of the *Noticees* are, *prima facie*, in violation of Section 12(1) of SEBI Act read with Regulation 3 (1) of the IA Regulations.
36. In my view, an unregistered investment advisor like the *Noticees* can put investors at great risk by misleading them. Further, in the present case, the *Noticees* have knowingly misrepresented that that the websites floated by them were “approved” by SEBI. They also falsely suggested / showed the certificates of registration held by third parties on these websites. Without holding any registered IA certificate, they offered investment advisory services on their websites and promised unrealistic profits to prospective investors with the objective of raising money through subscriptions on their websites. The packages being offered on the websites promising profits upto 800% - 900% were offered being fully aware that they are impossible to be delivered. The tips promised under the various packages were either not provided at all or were provided for a very short time. Knowing fully well that all investment in securities such as stocks, derivatives, commodity derivatives, etc. in respect of which the *Noticees* were offering investment advice are subject to market risk, they were falsely promising unrealistic assured returns on investments and had disclosed the same on the websites. In fact, the *Noticees* had no intention of even attempting to keep the promises made under the packages which is evident from the fact that the websites were made inactive / closed within few months of raising funds through subscription amounts. The *Noticees* only remained behind the scenes as beneficiaries of the bank accounts, which were linked to the payment tabs on the websites.
37. The *modus operandi* adopted by the *Noticees* discussed hereinabove *prima facie* shows that they were actually practicing *prima facie* fraudulent investment advisory activity. From the findings of the examination, it *prima facie* appears that the *Noticees* were running a pre-meditated device, plan or scheme where under, the gullible investors would be lured by the unrealistic profit commitments on the websites and then money would be extracted from them in the name of subscription fee and later, the persons operating the websites would vanish. As discussed earlier, such fraudulent plan, scheme, device was used by the *Noticees* several times through different websites.
38. The above discussed non-genuine and deceptive activities of the *Noticees* are, *prima-facie* fraudulent and are covered under the definition of 'fraud' under

regulation 2(1)(c) of the SEBI (Prohibition of Fraudulent and Unfair Trade Practices relating to Securities Market) Regulations, 2003 (“PFUTP Regulations”) which provides as under:

*“(c) “fraud” includes any act, expression, omission or concealment committed whether in a deceitful manner or not by a person or by any other person with his connivance or by his agent while dealing in securities in order to induce another person or his agent to deal in securities, whether or not there is any wrongful gain or avoidance of any loss, and shall also include—*

*(1) a knowing misrepresentation of the truth or concealment of material fact in order that another person may act to his detriment;*

*(2) a suggestion as to a fact which is not true by one who does not believe it to be true;*

*(3) an active concealment of a fact by a person having knowledge or belief of the fact;*

*(4) a promise made without any intention of performing it;*

*(5) a representation made in a reckless and careless manner whether it be true or false;*

*(6) any such act or omission as any other law specifically declares to be fraudulent,*

*(7) deceptive behaviour by a person depriving another of informed consent or full participation,*

*(8) a false statement made without reasonable ground for believing it to be true.*

*(9) the act of an issuer of securities giving out misinformation that affects the market price of the security, resulting in investors being effectively misled even though they did not rely on the statement itself or anything derived from it other than the market price.*

*And “fraudulent” shall be construed accordingly*

*...”*

39. It is noted that *prima facie* fraudulent activities / dealings of the nature discussed above are prohibited under the provisions of section 12A(a), (b) and (c) of the SEBI Act, 1992 and regulations 3 (b), (c) and (d) and 4(1) and 4(2) (k) of the PFUTP Regulations. I therefore, *prima-facie* find that the *Noticees* have contravened these provisions and the same are reproduced hereunder:-

**SEBI Act, 1992**

**“12A. No person shall directly or indirectly—**

*(a) use or employ, in connection with the issue, purchase or sale of any securities listed or proposed to be listed on a recognized stock exchange,*

*any manipulative or deceptive device or contrivance in contravention of the provisions of this Act or the rules or the regulations made thereunder;*  
*(b) employ any device, scheme or artifice to defraud in connection with issue or dealing in securities which are listed or proposed to be listed on a recognised stock exchange;*  
*(c) engage in any act, practice, course of business which operates or would operate as fraud or deceit upon any person, in connection with the issue, dealing in securities which are listed or proposed to be listed on a recognised stock exchange, in contravention of the provisions of this Act or the rules or the regulations made thereunder;”*

### **PFUTP REGULATIONS, 2003**

#### ***“Prohibition of certain dealings in securities***

**3. No person shall directly or indirectly—**

.....

*(b) use or employ, in connection with issue, purchase or sale of any security listed or proposed to be listed in a recognized stock exchange, any manipulative or deceptive device or contrivance in contravention of the provisions of the Act or the rules or the regulations made there under;*

*(c) employ any device, scheme or artifice to defraud in connection with dealing in or issue of securities which are listed or proposed to be listed on a recognized stock exchange;*

*(d) engage in any act, practice, course of business which operates or would operate as fraud or deceit upon any person in connection with any dealing in or issue of securities which are listed or proposed to be listed on a recognized stock exchange in contravention of the provisions of the Act or the rules and the regulations made there under.*

#### **4. Prohibition of manipulative, fraudulent and unfair trade practices**

*(1) Without prejudice to the provisions of regulation 3, no person shall indulge in a fraudulent or an unfair trade practice in securities.*

*(2) Dealing in securities shall be deemed to be a fraudulent or an unfair trade practice if it involves fraud and may include all or any of the following, namely:-*

.....

*(k) disseminating information or advice through any media, whether physical or digital, which the disseminator knows to be false or misleading and which is designed or likely to influence the decision of investors dealing in securities”*

40. As a regulator of the capital markets, SEBI has the duty to safeguard the interests of investors and protect the integrity of the securities market. Since the conduct of *Noticees* mentioned above does not *prima facie* appear to be in the interest of investors and the securities market, necessary action has to be taken against him immediately, else it may lead to loss of investors' trust in the securities market. One also cannot lose sight of the fact that the violations discussed hereinabove are ongoing and the *Noticees* may continue to raise money from investors in the pretext of providing stock tips through various websites. Considering the facts and circumstances of this case and such a fraudulent scheme, plan, device and artifice as *prima facie* found in this case, I am convinced that this is a fit case where effective and expeditious preventive and remedial action is required to be taken by way of *ad interim ex -parte* order to protect the interests of investors and preserve the safety and integrity of the securities market. Such action needs to be taken not only to prevent any further harm to investors but also to send a stern message to prevent any person from indulging in acts as observed in this case.

41. It is noted that the total amount paid by the complainants as fee for the advisory services provided by the websites *viz.* trade4target.com, niftysureshot.com, etc. identified from SCORES complaints is Rs. 1,06,000. However, as noted earlier, from the records provided by PayUmoney, the amount received towards subscriptions (on different websites) by Mr. Rishabh Jain and Mr. Ubaidur Rahman are Rs. 1,55,79,995 (from 1341 subscribers) and Rs. 3,43,46,136 (from 3821 subscribers), respectively. As regards Mr. Kadar Hussain (brother of Mr. Ubaidur Rahman), in the three bank accounts belonging to him which appeared on the website - www.optiontips, there were credits of a total amount of Rs. 5,07,42,172. Thus, it is noted that money in excess of Rs. 10 crore has been collected by the *Noticees prima facie* through subscription fee for unregistered investment advisory activity on the websites.

42. As noted earlier, in the present case, *prima facie* violations of section 12(1) of SEBI Act read with Regulation 3 (1) of the IA Regulations, section 12A(a), (b) and (c) of the SEBI Act, 1992 and regulations 3 (b), (c) and (d) and 4(1) and 4(2) (k) of the PFUTP Regulations have been noticed on the basis of the examination carried out by SEBI. It is pertinent to mention that a number of complaints have been filed against the websites floated by the *Noticees* alleging perpetration of fraud and in many complaints, the complainants have claimed refund of the money paid by them towards subscription on the websites. One of the directions that can be passed against the *Noticees* subject to the adjudication of the allegation on merits in the final order, under sections 11, 11B and 11D of SEBI Act, is that of direction to refund the money collected by them from the subscribers. With the initiation of quasi-judicial proceedings, it is possible that

the *Noticees* may divert the money collected from the subscribers / clients. The same may result in defeating the effective implementation of the direction of refund, if any, to be passed after deciding the matter on merits. It therefore becomes necessary for SEBI to take urgent steps for freezing the bank accounts of the *Noticees*. It is also essential to take urgent steps to prevent them from alienating any assets, whether movable or immovable, or any interest or investment or charge in any of such assets, so that the final remedies, if any, do not become infructuous. In view of the facts and circumstances discussed hereinabove, and considering the interests of already existing clients of these websites and also the interests of those who may fall prey to the unregistered investment advisory being carried out through the websites created by the *Noticees*, the balance of convenience lies against the *Noticees*, which requires immediate action against them including a freeze on their bank accounts.

43. In view of the foregoing, in order to protect the interests of the investors and the integrity of securities market, I, in exercise of the powers conferred upon me under sections 11, 11B and 11D read with section 19 of the SEBI Act, 1992, direct as under :

Kadar Hussain are directed to provide a full inventory of all assets held in their names, whether movable or immovable, or any interest or investment or charge on any of such assets, including details of all bank accounts, demat accounts and mutual fund investments, immediately but not later than 5 working days from the date of receipt of this order.

- vi. The Registrar and Transfer Agents are also directed to ensure that till further directions the securities held in the names of Mr. Rishabh Jain, Mr. Ubaidur Rahman and Mr. G. Kadar Hussain, jointly or severally, are not transferred.

44. The order shall come into force with immediate effect. This order is without prejudice to the right of SEBI to take any other action that may be initiated against the aforementioned entities in accordance with law.

45. This Order shall also be treated as a show cause notice and Mr. Rishabh Jain, Mr. Ubaidur Rahman and Mr. G.
